MEMORANDUM FOR: Associate Deputy Director for Intelligence
FROM : Michael J. Malanick
Associate Deputy Director for Administration
SUBJECT : [REDACTED] Request for
Financial Waiver
REFERENCE : Memo dtd 15 Jul 76 to DDA via DDI and
Acting D/OSR fr [REDACTED] subj:
Disposition for Obligation for OTR
Sponsored Training at the American
University (DDA 76-3888)

25X1A

I am now in receipt of an opinion from the Office of
General Counsel, attached, which has concluded that Mr.
[REDACTED] request for a waiver is legally cognizable under
the law, and has made the requisite determination that total
recovery of the debt by the Agency would be against equity
and good conscience or against the public interest. Having
made this determination, I now withdraw the disapproval
which I had made earlier as noted in reference memorandum.
